Opportunity knocks twice for Plainfield homeowners and homebuyers

Plainfield Features an “Open House” Tour to help homeowners find buyers for properties.

Plainfield, NJ October 15th, 2008:

During this time of economic hardship, the City of Plainfield has decided to take action to help its resident homeowners and homebuyers, by offering an “Open House” Tour. On Saturday, October 25, Plainfield, a town with tremendous history and an abundance of magnificent properties, will host a tour for prospective homebuyers. The “Home Tour” will leave the City Hall parking lot at 10:00 a.m. and again at 1:00 p.m.

Mayor Sharon Robinson-Briggs, the City of Plainfield’s Office of Economic Development, the Plainfield Chamber of Commerce, and the Plainfield Real Estate Brokers Association are working together to host this unique event. The tour is free to interested buyers, and a light breakfast and lunch will be served. Once the tour leaves City Hall, prospective buyers will be shuttled by trolley to twenty (20) homes in various sections of Plainfield (Cedarbrook, Netherwood Heights, and Van Wyck Historic District, to name a few). The tour offers an outstanding opportunity for homebuyers to look at a variety of homes and hopefully find one which suits their budget.

A local homeowner upon hearing about the tour enthusiastically remarked; “Plainfield is on the right track – helping homeowners, helps the community.”

Interested homebuyers will find on the tour, some houses below market value and in move-in condition. Time will be allowed for a walk through at each house, and a local real estate agent will be available to answer questions about the home while prospective buyers are touring the house.

“Growth by Unity encompasses our community working together, supporting each other and growing together,” said Mayor Robinson-Briggs “This Home Tour was borne of a desire to offer support and alternatives to our community during trying times. Building on this initiative,
