Plainfield presents "Back to Basics Workshop"

Mayor Sharon Robinson-Briggs and the Plainfield Department of Economic Development will present a "Back to Basics and More" Workshop" on Tuesday May 13, 2008. The workshop will be held at the Heard One Complex at 210 Church Street in Plainfield, New Jersey and will run from 8:00 a.m. to 12:00 p.m. This seminar will provide information about starting and maintaining a business: including sessions on business planning, marketing, financing and government and private financial resources.

"As Plainfield continues to grow, the role of the small business person is vitally important," said Mayor Robinson-Briggs. "This seminar and others like it provide a starting point for fledgling entrepreneurs who may need help and guidance in starting a business of their own. We are fortunate to have the resources locally to provide that help"
