There will be a panel of faith-based leaders and service providers who will have some answers, and some solutions that will help you, and direct you to the necessary services that can help you **"right now."**

We will be providing food, and drinks for this event

We want you to bring nothing with you, but take expect to take a life changing experience home with you.

You have nothing to loose by coming,
But everything to gain when leaving.....

All for free.

We look forward to seeing you there
